

Department of Chemistry, University of Pretoria

Prospective Postgraduate (MSc and PhD)

Student Application Form

Please note:

- Please submit an application to the Faculty of Science and Agriculture at www.up.ac.za in addition to this form.
- It is strongly recommended that an applicant identifies a supervisor and is accepted by a supervisor prior to application.
- Prospective MSc(Chemistry) students must possess a BSc(Hons)(Chemistry) or equivalent degree with an average of 60%. If a student is in the process of obtaining this degree, final approval of an application can only be given once the final marks for the BSc(Hons) degree have been obtained.
- Prospective PhD(Chemistry) students must possess an MSc degree with an average of 60%.
- **SAQA certification of qualifications is required for non-South African students.**
- Acceptance depends, among other factors, on availability of space in research groups.
- Funding is the student's responsibility.
- Additional requirements may apply.
- Please return form by e-mail to ria.swart@up.ac.za

Please complete the following:

Name and Surname: _____

Citizenship: _____

E-mail Address: _____

Cell phone number: _____

Highest Qualification: _____

Current position: _____

Degree Applying for: _____

Applying to study full-time or part-time: _____

Please indicate your preferred field of study in Chemistry below:

First Choice: _____

Second Choice: _____

If you have been accepted by a supervisor in the Department, please complete the section below:

Name of supervisor: _____

Signature of supervisor: _____ Date: _____

Proposed project title: _____

All applicants: Signature of Applicant: _____ Date: _____
