 - Moshape MM. 2009. The impact of implementation of supply chain management on asset management and financial management within the Limpopo Provincial Treasury. MBA Research report, University of Limpopo.
 - Motimele ME. 2010. The financial management of small, medium and micro enterprises (SMMEs) in the rural communities. MBA Research report, University of Limpopo.

- F Jansen van Vuuren. 2011. Risk management for microfinance institutions in South Africa. MCom mini-dissertation. University of Pretoria.
11. **List any campus companies you are involved in with a brief statement of your level of involvement and the approximate percentage of your time devoted to the campus company (ies) per week:**
 - CE@UP: I lecture three modules in Financial Management of 20 hours each per year. That is approximately 3% of a total year's total hours of 1840.
 12. **List any consultancies you are involved in and the percentage of your time devoted to these consultancies. Include here any involvement you might have in the provision of training courses to industry and/or public bodies:**
 - I lecture on three Fridays (and Saturdays) at the University of Limpopo, teaching Financial Management on their MBA programme at Polokwane. The 24 hours per year is just more than 1% of a year's total hours.
 13. **Any other research related activity which you consider impacts on your research endeavour e.g., journal referee, activities relating to the public understanding of your area of research; dissemination of research results - unpublished conferences or invited lectures; media exposure; conference organisation, etc:**

I am on the panel of referees for the following academic journals:

 - The Investment Analysts Journal
 - South African Journal of Economic and Management Sciences
 - Meditari Accountancy Research
 - Management Dynamics: Contemporary research
 - Southern African Business Research
