

Directions to the national Institute for Communicable Diseases (NICD)

1 Modderfontein Road
Sandringham
Johannesburg
South Africa

From Pretoria, you take the N1 South and turn onto the N3 towards Germiston. You can either take the Johannesburg/Modderfontein Rd off ramp or the Linksfield Rd one. The venue at the NICD is the SAFELTP training room on the first floor of the Polio Research Foundation (PRF) Building. As you enter through the main gate, you take the first turn to the left. You pass the PRF Training Center (with big glass windows) and it's the building next door.
