To All Researchers / Supervisors

Dear Sir / Madam

RE: Reporting of SUSARs (Suspected Unexpected Serious Adverse Reactions) as 6-monthly Line Listings

Please be advised that SUSARs may be reported as a 6-monthly Line Listings and it is the current policy of the Faculty of Health Sciences, Research Ethics Committee, University of Pretoria. However, if the researcher has ethical concerns regarding specific SUSARs, they may be sent in more often.

Yours faithfully

DR R SOMMERS; MBChB; M.Med (Int); MPhar.Med.
Deputy Chair: Main Research Ethics Committee
Faculty of Health Sciences
University of Pretoria
