### Programme information

The purpose of this programme is to provide students with an in-depth knowledge and understanding of contemporary world politics and related changes in the international system. This will enable them, once they are employed in the public or private sector, to respond in an innovative and proactive manner to the problems and challenges of globalisation.

### Admission requirements

- **Candidates are advised to apply early. Space is limited in all programmes. As soon as a programme reaches its full capacity, applications for the specific programme will be closed, even if it is before the official closing date.**
- The following candidates will be considered for admission:
  1. A candidate who is in possession of a certificate that is deemed by the University to be equivalent to the required National Senior Certificate (NSC) with university endorsement; a candidate who is a graduate from another recognised tertiary institution or has been granted the status of a graduate of such an institution; and a candidate who is a graduate of another faculty at the University of Pretoria
  2. Candidates who have completed the National Senior Certificate with admission to degree studies or a certificate of conditional exemption on the basis of a candidate's international ("foreign") qualifications, the so-called "Immigrant" or "Foreign Conditional Exemption". Detailed information is available on the website at [mb.usaf.ac.za](http://mb.usaf.ac.za).

- To retain admission, learners will be expected to obtain an APS of at least 28 in the NSC. Prospective students who have already been granted conditional admission in these programmes, but obtained at least an APS of 26 or 27 in Grade 12, will be considered by the Admissions Committee of the Faculty of Humanities, subject to the availability of space and the results of the National Benchmark Test (NBT).
