A student who complies with all the requirements for the diploma with the exception of a maximum of four quarter modules, two semester modules or one year module, in each of which a combined mark of at least 40% has been obtained, may be admitted to a special examination in the same modules at the end of the following semester.

### Academic exclusion

The Dean may on recommendation of the relevant faculty committee, exclude a student academically by the cancellation of the registration for that particular year or for the following year, if he or she does not comply with the minimum set requirements. You may appeal against your academic exclusion, but it is advisable to solve any problems as soon as possible. Contact your lecturer as soon as you experience problems with your studies.
