### Module content

The focus of this module is to examine the protection of disability rights under African regional and national law. The topics covered include:

- Historical background on the protection of disability rights in Africa
- Regional and sub- regional protection of disability rights in the African human rights system
- Historical background and the efficacy of an African Protocol to the African Charter on Human and Peoples' rights on the rights of persons with disabilities
- South African legislation, policies and jurisprudence relevant to persons with disabilities, in comparison to other selected African states
- Legal reform to promote and protect the rights of persons with disabilities in an African context
- Media studies perspective to disability rights in Africa - evaluating the role of media in the promotion of the rights of persons with disabilities
