

## University of Pretoria Yearbook 2019

## Inorganic chemistry B 715 (CMY 715)

| Qualification          | Postgraduate   |
|------------------------|--|
| Faculty                | Faculty of Natural and Agricultural Sciences                             |
| Module credits         | 10.00  |
| Programmes             | BScHons Chemistry  |
| Prerequisites          | No prerequisites.  |
| Contact time           | 6 lectures per week for 4 weeks, 1 discussion class per week for 4 weeks |
| Language of tuition    | Module is presented in English   |
| Department             | Chemistry  |
| Period of presentation | Semester 1 or Semester 2   |
| Modulo contont         |  |

## Module content

Main group chemistry. From complexes to clusters to networks. Reaction kinetics and mechanisms. Supramolecular chemistry Bioinorganic and bioorganometallic compounds. Metals in medicine.

The information published here is subject to change and may be amended after the publication of this information. The General Regulations (G Regulations) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the General Rules section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
