Programme information

This programme is aimed at the acquisition of specialist music skills and knowledge. The programme can be compiled in such a way that, on its completion, students are qualified for a wide variety of music-related occupations, including the following: solo performer, orchestral or chamber musician, music teacher at all levels (for individual and group tuition), musicologist, music technologist, entrepreneur and impresario.

Closing date for applications: 30 June (late applications on request).

Admission requirements

- The following candidates will be considered for admission:
 1. A candidate who is in possession of a certificate that is deemed by the University to be equivalent to the required Grade 12 certificate with university endorsement; a candidate who is a graduate from another recognised tertiary institution or has been granted the status of a graduate of such an institution; and a candidate who is a graduate of another faculty at the University of Pretoria
 2. Candidates who have completed the National Senior Certificate with admission to degree studies or a certificate of conditional exemption on the basis of a candidate's non-South African ("foreign") qualifications, the so-called "Immigrant" or "Foreign Conditional Exemption". The only condition for the "Foreign Conditional Exemption" that is accepted is: 'completion of the degree course'. The exemption certificate is obtainable from Universities South Africa (USAf). Detailed information is available on the website at mb.usaf.ac.za.
- Candidates who comply with the minimum subject requirements and achievement levels as well as the APS requirements of these programmes will be granted placement in the programmes, subject to the availability of space. The above-mentioned is not applicable to selection programmes.
- To retain admission, learners will be expected to obtain an APS of at least 28 in Grade 12, except BA (Speech-Language Pathology), BA (Audiology) and BSocSci (Philosophy, Politics and Economics). The required APS for these three programmes is 32 in order to retain admission. Prospective students who have already been granted conditional admission in these programmes, but obtained at least an APS of 26 or 27 in Grade 12, will be considered by the Admissions Committee should space be available. The Admissions Committee of the Faculty of Humanities will consider these students once the results of the National Benchmark Test (NBT) are available and depending on the availability of space. The NBT is not applicable to selection programmes. Candidates who apply for selection programmes or BA (Law) are required to meet the minimum admission requirements.
- Applicants who meet the minimum APS requirement, but who do not comply with the subject requirements

must write the NBT.

- The Faculty will assess satisfactory performance in the NBT in the light of its commitment to ensure that an appropriate proportion of the applicants will be drawn from the disadvantaged category of the population.
- Life Orientation is excluded when calculating the APS.
- The language of communication and correspondence is English only.
- For more information, please consult the Faculty yearbook on the UP website.
- **Note:** The A and IB HL levels are not included in the APS Conversion Table. Faculty requirements for admission based on these equivalent international qualifications are a D for the A level and 4 for the IB HL level.
- Non-NSC candidates who have already completed the equivalent of Grade 12, are advised to submit their Exemption certificates obtained from USAf (www.usaf.ac.za) along with their applications.
- Non-NSC candidates who do not have English Language in Grade 12 are advised to write the NBT or submit their SAT results. Please note that English Literature is not considered as a substitute for English language.
