

# University of Pretoria Yearbook 2021

## MLArch Professional (12252030)

**Department** Architecture

**Minimum duration of study** 1 year

**Total credits** 180

**NQF level** 09

### Programme information

The Master of Landscape Architecture (Professional) is a taught master's degree for the purpose of registration as a candidate professional landscape architect with the South African Council for the Landscape Architectural Profession in terms of Act 45 of 2000 and is done by coursework, projects and a design investigation mini-dissertation and design project and discourse.

Also refer to General Regulations G.30 to G.40 and G.50 to G.54.

### Admission requirements

1. BLArchHons (or equivalent) degree in spatial design with aof practical experience and/or a record of an extended study excursion
2. Candidates with a cumulative weighted average of at least 60% for all the modules of the honours degree and who completed the honours degree in the same term (academic year), will receive preference

### Other programme-specific information

#### Design topic

The topic of the final design project (DIT 802 & DPD 802) must be approved by the relevant head of department.

#### Awarding of degree

The degree is awarded to those students who have obtained the prescribed credits. Those students admitted with conditions must comply with all of these before all the 700 series module credits and the degree are awarded.

### Examinations and pass requirements

The minimum pass mark is 50%. A minimum of 40% is required in the examination, with a minimum final mark of 50% to pass. If a module is not evaluated by examination a minimum coursework mark of 50% is required. If the module is not evaluated by coursework a minimum examination mark of 50% is required.

## Research information

General Regulation G.39.12. applies.

## Pass with distinction

The degree is conferred with distinction on those students registering for the first time and obtaining a distinction (75%) simultaneously for both the Design investigation mini-dissertation (DIT 802) and the Design project and discourse (DPD 802) with the proviso that the degree is completed within the minimum prescribed time and all other final-year modules are passed on first registration.
