Module content

Introduction to aesthetics. The interaction between environments and consumers' aesthetic experience. Visual merchandising: basic components, tools, techniques, and equipment used in clothing and food retail settings. Use of sustainable strategies in visual merchandising planning in clothing, and food retail settings. Latest trends in clothing and food visual merchandising. This module addresses UN sustainable development goals: #8 (decent work and economic growth), #9 (industry innovation and infrastructure) and #12 (responsible consumption and production).

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
