## Building personal mastery 310 (GAD 310)

<b>Qualification</b>	Undergraduate
<b>Faculty</b>	<a href="#">Gordon Institute of Business Science</a>
<b>Module credits</b>	9.00
<b>NQF Level</b>	07
<b>Programmes</b>	<a href="#">AdvDip (General management)</a>
<b>Prerequisites</b>	No prerequisites.
<b>Contact time</b>	14 contact hours
<b>Department</b>	Gordon Institute of Business Science
<b>Period of presentation</b>	Semester 1 and Semester 2

### Module content

This module will develop personal mastery in relation to one's personal and leadership development. It will support the building of competence by enabling greater self-awareness, insights into personal strengths and developmental areas and understanding core skills required for personal mastery and managing effective change in self and others. Students will gain deeper insights into their impact on others and how they influence a community of people towards greater connection, collaboration and mutual understanding to achieve personal and business objectives and develop resilience strategies for application in the workplace and personally.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
