Module content

Regulatory changes over the last few years have increased the pressure on the financial expertise required of senior managers and board members. This elective will look at the current regulations and requirements needed to meet the increasing demands on organisations. Students will be exposed to the latest methods to handle this technically demanding and changing environment. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
