### Module content

Understand and apply the legal aspects of the Health and Safety Act 85 of 1993, and what is meant with 'health' and 'safety' in the work context. Have knowledge based on the content of an Employee Aid Programme (EAP) and how to deal with HIV/Aids, alcohol and drug dependence, psychological and physical health, traditional healers, and workplace psychopathology in the work context.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
