Module content

*For LLB

An introduction to the medical and social aspects of the disease, and aspects of the legal position of people with HIV/Aids; seminar assignments (mini-dissertations) about problems of a moral and legal nature, such as the criminalisation of HIV infection as a separate statutory offence, implications of the right to health care, notification of HIV/Aids and the limits of privacy, as well as aspects arising from medical experimentation and the development of a vaccine.

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
