PhD (Human Resource Management) (07267144)

Department	Human Resource Management
Minimum duration of study	2 years
Total credits	360
NQF level	10

Programme information

The PhD Human Resource Management focuses on a research proposal and thesis: Human Resource Management.

The PhD degree is conferred by virtue of a thesis.

The relevant head of department reserves the right to prescribe any additional modules/seminars for a candidate.

A candidate must also pass the compulsory module in EBW 801 Research methodology 801 if it has not been completed at master's level. However, the Dean may, in exceptional cases and on the recommendation of the relevant head of department/director, waive this prerequisite.

Not all postgraduate programmes are offered every year. Please consult the relevant faculty's student administration concerning the presentation of this programme.

Admission requirements

1. Relevant master's degree
2. A cumulative weighted average of at least 65% for the master's degree

Examinations and pass requirements

The thesis should be passed in accordance with the stipulations of General Academic Regulations G50 and G54, as well as a compulsory module in Research Methodology.

Research information

Refer to General Academic Regulations G50 and G54.

The research component comprises a thesis and a research article for publication(General Academic Regulation G51). A candidate will work under the guidance of a supervisor to develop a detailed research proposal according to departmental guidelines and regulations. The proposal must be presented to the departmental PhD committee

and must be officially approved by all relevant committees before the candidate can commence with his/her research. The candidate will continue his/her research under the guidance of his/her supervisor until the research is completed according to the rules and regulations of the University. An oral defence of the thesis may be required as part of the final examination. Furthermore, a research article based on the candidate's research must be submitted for publication to a recognised accredited journal. The article is a compulsory condition for the degree to be conferred on the candidate. The research component contributes 100% towards the total requirement for the degree.

Curriculum: Year 1

The regulations and rules for the degrees published here are subject to change and may be amended after the publication of this information.

The General Academic Regulations (G Regulations) and General Student Rules apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations.
