Core modules

Methodology of political science 878 (STL 878)

Module credits	30.00
NQF Level	09
Prerequisites	No prerequisites.
Contact time	1 lecture per week
Language of tuition	Module is presented in English
Department	Political Sciences
Period of presentation	Semester 1 or Semester 2

Module content

Using appropriate methodological approaches and research methods, selected aspects of related modules in the discipline of political science are applied to state-based and national case studies and issues of importance. In addition to the emphasis on methodological aspects and selected research methods, attention is also paid to the development, structure and writing of research reports in the broader field of political science. This module has an approved research proposal on a political science theme for the mini- dissertation that also complies with ethical guidelines, as an outcome.

Mini-dissertation: Political Science 896 (STL 896)

Module credits	60.00
NQF Level	09
Prerequisites	No prerequisites.
Language of tuition	Separate classes for Afrikaans and English
Department	Political Sciences
Period of presentation	Year

Module content

A mini-dissertation based on independent research done by the student in the broad field of political science, is written under the guidance of a supervisor.

Elective modules

Selected topics in political science 810 (STL 810)

Module credits	30.00
NQF Level	09

Prerequisites	No prerequisites
Contact time	1 lecture per week
Language of tuition	Module is presented in English
Department	Political Sciences
Period of presentation	Semester 1 or Semester 2

Module content

This module interrogates contemporary debates in the discipline of political science. The contents of the module may vary from year to year and will be announced at the beginning of each year. Possible topics include quality of democracy studies, political culture, identity and social cohesion, political communication, political leadership, electoral politics, national and ethnic politics and area studies.

General Academic Regulations and Student Rules

The [General Academic Regulations \(G Regulations\)](#) and [General Student Rules](#) apply to all faculties and registered students of the University, as well as all prospective students who have accepted an offer of a place at the University of Pretoria. On registering for a programme, the student bears the responsibility of ensuring that they familiarise themselves with the General Academic Regulations applicable to their registration, as well as the relevant faculty-specific and programme-specific regulations and information as stipulated in the relevant yearbook. Ignorance concerning these regulations will not be accepted as an excuse for any transgression, or basis for an exception to any of the aforementioned regulations. The G Regulations are updated annually and may be amended after the publication of this information.

Regulations, degree requirements and information

The faculty regulations, information on and requirements for the degrees published here are subject to change and may be amended after the publication of this information.

University of Pretoria Programme Qualification Mix (PQM) verification project

The higher education sector has undergone an extensive alignment to the Higher Education Qualification Sub-Framework (HEQSF) across all institutions in South Africa. In order to comply with the HEQSF, all institutions are legally required to participate in a national initiative led by regulatory bodies such as the Department of Higher Education and Training (DHET), the Council on Higher Education (CHE), and the South African Qualifications Authority (SAQA). The University of Pretoria is presently engaged in an ongoing effort to align its qualifications and programmes with the HEQSF criteria. Current and prospective students should take note that changes to UP qualification and programme names, may occur as a result of the HEQSF initiative. Students are advised to contact their faculties if they have any questions.
